

BURGER KING[®] Informs Guests:

Our kitchens is an open and busy environment where we may handle products that contain allergens. While we carefully segregate ingredients to avoid possible traces of allergens, we cannot guarantee an allergen-free environment or products.

- Some of our products contain or may contain traces of peanuts, tree nuts, mollusks or crustaceans (amend as appropriate per market)
- All fried products may be prepared in the same oil as chicken, cheese and fish products

Please review the allergen poster available at the counter for further detailed information on allergens or visit www.burgerking.xx
